Can you assist with this collection of burned debris in the street. The debris is causing a ADA safety issue. The SR # is 1-1631435871. Thanks

Hello Deanna,

Hope you are well. I am reaching out from the EOC about a call made to the Duty Officer Phone. There was a small fire on the street at 3060 4th Street. It left a pile of reminisce on Fresno Street just south of the intersection. It has been reported as an ADA Accessibility issue and would to be cleaned up.

Please let me know where I should forward this inquiry to.
